## What is the best part of your job?

Assisting the business with new strategic initiatives around partnership proposition. Working on partnerships to assist with new workflows for financial institutions to meet regulatory requirements, artificial intelligence solutions or analytics with our data content to meet our client's data needs.

## Biggest learning moment of your career?

Being motivated to continuously learn and be open to change. I have taken time to learn new skills and understand different roles. Networking with my colleagues in other departments to get a perspective of their roles and whether these would be interesting areas to me.

## Why is being a positive role model important to you?

It is important to provide positive feedback to the younger generation and share my perspective and experience to help their decision-making process. Opening their minds to more opportunities and give them belief that they can achieve their goals.

## What does Black history month mean to you?

It is a time to be thankful for all the efforts that our ancestors went through to build us a better future. To build awareness and be inspired by their life stories, achievements, inventions and leadership. Promote pride in our culture, talent & character.

## What is your top tip to success?

Follow your dreams and enjoy what you do. Make a positive difference. Be the best you can be. Persevere. Spend time with your family & friends.

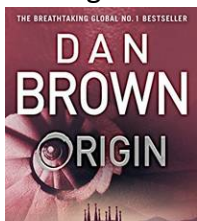

## What is your greatest achievement?

Playing football for QPR, which I thoroughly enjoyed. It taught me numerous life skills around teamwork, leadership, drive, perseverance, discipline, coaching and focus.

## What advice would you give to your 16year-old Self?

Be comfortable with the uncomfortable to develop yourself. Make lists of all the things that you wish to achieve & try your best to do it.
